

New Team Captain
Seminar
January 11, 2012

This seminar is scheduled for (8) hours from 0830-1530 hours in the LAPD Academy Lounge. It is designed for all “new” teams as well as any “new” Team Captains. It will assist you in the design and application of the many facets of a Baker to Vegas Team. It is highly recommended and well worth the time and expense to travel to the Los Angeles Police Academy.

Key people to bring to the seminar: Co Captain, person in charge of logistics and person in charge of Communications.

Complimentary breakfast and lunch will be served.

As the date nears, I will post an agenda.
